GROW BUSINESS

Business Momentum

Castle Pines Capital provides innovative channel financing solutions worldwide to vendors and resellers in the technology industry. Using a highly flexible, customer-friendly distribution finance model, we customize lending to fit your needs—giving you access to liquidity when you need it most.

High-touch, High-caliber

Our nimble, service-oriented staff contributes its well-rounded industry experience to every transaction. We are vested in technology and tied to major capital sources, providing billions of dollars in annual financing.

Cultivating Relationships

Our organizational and operational structure is designed to anticipate each customer's growth and respond accordingly with a customized, strategic approach.

BREAK THE MOLD

Easy and Efficient

In channel finance, the time-money equation is critical. Resellers need credit with flexible terms to move forward. Our nimble, laser-focused team makes the financing process easy and is quick to respond to each client's specialized needs. The bottom line: We put together smart and accommodating finance solutions that range from \$500,000 to over \$100,000,000. Creatively leveraging our industry knowledge, we deliver flexible and expeditious solutions—with no surprises. What's even better? Direct access to decision-makers.

Customization and Flexibility

We're pushing the evolution of channel finance. Our innovative lending process is customized to fit each customer's financial needs. Every deal is different. We examine the complete customer circumstance so we can offer the best, most versatile short-term financial solutions. In addition, our highly integrated, fully automated operating infrastructure and servicing platform complements our clients' existing sales and fulfillment systems.
